NYMPHO NEIGHBOR

Dear PURELY 18,

I fucked the neighbor girl and I don't regret a thing. For years she was the girl next door and I knew who she was but never paid much attention. Then it seemed like she had her 18th birthday and immediately everything was different. The awkward girl next door suddenly took on a cat-like presence, moving stealthily with big eyes focused on her next meal.

Just by virtue of being next door—granted, I live in a little bit more rural area than a lot of you city-slickers—I got on the menu fast. I was outside putting a couple things away in the shed and when I turned to go back to the house, she was standing right behind me. She wore a see-thru top with a bra holding in her big melons and some sort of loose pants, maybe sleeping pants, I just know my hand slid down them real quick and easily when she kissed me.

Soon we were rolling around the lawn and we made more than a little racket and I'm surprised my wife didn't come out to see what the hell was going on. Her body was teen slender, with a rack that was, well, fresh off the rack. I came on her furry little mound and then she sucked me hard again and rode me, grinding so hard, I was sore for three days.

You'll probably not be surprised to find that we've made a regular thing out of it and I've included some photos for you to take a look at. I think she's **PURELY 18** material and I hope you'll agree. Even if you don't, I'm going to keep on fucking her.

WHO'S MOST WET: BLONDES OR BRUNETTES?

Dear PURELY 18,

My friend and I have been fighting for days about this and I'm hoping that you can settle the score once and for all: Which girls find their horniness and sluttiness earlier, blondes or brunettes?

I say it's obviously blondes. Everywhere I go I see blonde strumpets with their short skirts and red lipstick and they look like I could just shove my cock in their mouths whenever I wanted to and they'd just suck and suck and probably wouldn't even ask my name after I blew a load in their mouths.

Then my friend comes along and starts saying shit like, "Brunettes are hornier, dude, everyone in the world knows that!" Yeah? Well I don't! I mean, I like brunettes, too, but I sure don't think they're sluttier than blondes, especially when they are 18.

I remember this one girl, Tiffany, and as soon as she turned 18 she was screwing

everybody in school. Hell, we practically lined up outside her bedroom window at night waiting our turns. I don't remember any dark-haired girls doing that until they were at least in their 20s.

My friend says there was an 18-year-old girl who lived downtown that all the graffiti guys were fucking all the time and that she was really dirty, sometimes having them cum on her face, and he swears he tag-team fucked her with some other dude once, but I don't believe it. Hell, my neighbor is 19 and I bet he's never fucked her and maybe nobody else has, either. If she were a fuckslut I'd know it. You can tell just by looking at them.

To prove my point I pulled out a bunch of copies of **PURELY 18** and all of them had blondes on the cover. I know I didn't have all the issues, but every one I had stashed showed a light-haired chick on the cover. Inside there were lots of blondes getting fucked and using dildos and whatever. I know there were brown-haired girls and red-headed girls and whatever, but I still look at the blondes and I know I could fuck them a lot easier. Whatever. Some chick is going to give me her young puss to fuck, I'm going to shove my dick in there. Don't think I won't.

PURELY 18 . . . BY HOURS!

Dear PURELY 18,

I've been reading your magazine for several years now and it wasn't until recently that I started pondering what I was looking at. Yeah, I know the obvious—that they're the hot chicks who are naked or playing with themselves or even fucking. But there are lots of magazines with that stuff.

PURELY 18 girls are the freshest fruit, right off the branch, perfectly ripe in every way, soft and supple and creamy on the inside. At the peak of their deliciousness. Never again will they be so perfect, so pristine.

What has also been special is how PURELY 18 always features a girl or two who is just days, and in cases just hours, after they turn 18. It has to be both one of the most enviable jobs in the universe, while at the same time being one of the most specialized and difficult. I would have no idea where to go to find even a couple girls a year to find a super-hot girl in the moments afterward (though I wouldn't mind a little lesson!).

It's such a magical and mystical time, that 18th birthday and the year or two that follow. If I could catch it in a bottle I'd be the world's richest man. I think you've done the next best thing and all your readers are enriched by your efforts. Thank you, PURELY 18, for showing us the hottest teens to ever take off their clothes for the camera. Let us all take this moment of silence to blow yet another wad.

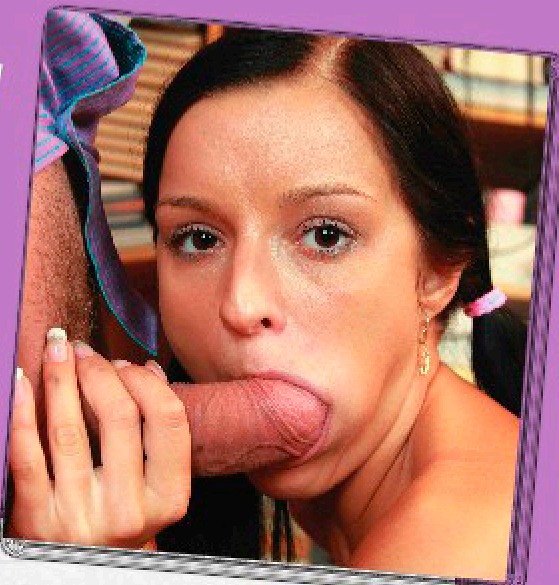
A Young Girl's Diary

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Elise**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!***



28466

Dear Diary,

I always thought babysitting was totally gay, but when my parents said they wouldn't pay for my prom dress, I didn't have much choice. My boyfriend sure wasn't going to be able to do it and, like, where was I going to get a job? I'm not going to work at the mall and have those bitches from school come in asking me stupid questions and making me fold sweaters after them because they're such pigs.

So my mom hooked me up with some lame kids in the neighborhood so I could make some money. It was pretty easy and I learned quickly that I could put the kids to bed early, eat whatever I wanted, and have my boyfriend come over for a few hours. It was like being paid to have sex! Needless to say, I started spending as many nights babysitting as I could.

One night I had put the kid to bed and my boyfriend had come over and we were in the living room fooling around. As he sat on the couch and watched porn on the TV, I was between his legs sucking his cock. We watch a lot of porn together and just hearing the sound of fucking turns me on. I was really going to town on his prick when I looked up at him and noticed that there was someone else standing behind him. It was Mr. Castro and while I couldn't see much more than his face, I could tell he was jerking off.

I stopped for a moment, but he put a finger to his lip to quiet me and nodded. I went back to sucking off my boyfriend and alternated between looking up at my boyfriend and looking at Mr. Castro. I told my boyfriend I wanted him to cum in my mouth and started using my hand more, jerking him off hard and fast as I kept my mouth close to the fat head of his cock. I looked at Mr. Castro and he was obviously jerking his own cock at least as hard as I was whacking my BF's and I was so busy watching him that I didn't even realize that my boyfriend was cumming until several splurts splashed across my face. By the time I cleaned off, Mr. Castro had disappeared, and a few minutes later he came in again. By then I'd got rid of my boyfriend (it was always easy getting rid of him after he'd blown a load) and was sitting on the couch watching some gay sitcom.

I wasn't sure what to say to Mr. Castro, but he made it pretty easy. He asked about his kid and I said he had been asleep for a while. He said that was good and asked me if I needed to go home or if I wanted to babysit a while longer. I said I was happy staying longer. I didn't want to go home and I needed the money.

Mr. Castro asked where the movie we'd

been watching was and I got it out of my bag. He looked at the disc and said, "This looks interesting. Do you mind if I put it on?" I told him I didn't. He put it on and we sat there for a minute and I couldn't help but be horny. After all, I'd just sucked my boyfriend's cock while watching Mr. Castro jerk off, but I never actually saw his cock. I was curious and it was pretty obvious he was, too.

We didn't get too far into the movie before I could see the bulge in his pants increase. He asked me if I wanted to sit on the couch with him and I moved over without saying anything. "You know, " he said, putting his hand on my knee, which was bare because my skirt hiked up when I sank into the couch, "I'm really happy with your babysitting skills. I'd like to give you a lot more work and I think I could make it worth your while financially if you're interested."

I wasn't sure exactly what he meant, but I told him I was interested anyway. The truth was, I was so horny, I was going to say yes to pretty much anything. He moved his hand up my thigh and I spread my legs further so he could have his way with my pussy. I was so wet by the time his finger got near my button that he had to know he could do anything he wanted with me.

Next thing I know, he was on the floor licking my pussy and it felt a million times better than when my boyfriend did it. He asked me if I'd fucked my boyfriend that night and I told him no. He asked me if I wanted to be fucked and I told him I did. He slid a finger into my slit and I came immediately and could feel the juices gushing out of me like never before. "Is…is that okay?" I asked.

"Perfectly natural," he said. "Plus, it's the perfect lube for my cock." He stood up and pulled down his pants and his cock was huge. I grabbed it and jerked it off, amazed at its thickness and how hard it was. "You sure you want to get fucked?" he asked again. I nodded that I did and lay back on the couch and spread my legs as far as they would go.

He grabbed his cock and teased the outside of my pussy with it then he pushed the head in slowly and I knew that it would only feel better and better, so I just let him fuck me. Even when he started screwing me harder, I let him go at it and I was so wet, it was crazy.

He took a thumb and started spinning it on my clit and I came right away and that just made my pussy tighter. I tried to slow him

down, but he whispered that I needed to trust him, so I just let him keep fucking me and a few minutes later he made me cum again and then pulled his cock out and shot a huge load all over my bush.

"Wow, Mr. Castro," I said, "that's a lot of cum, especially when you just came a little while ago." He just smiled and asked if I wanted to babysit again on Thursday night. I said sure. He told me to go ahead and have my boyfriend over if I wanted. Then he gave me a $100 bill and told me he was looking forward to Thursday.

I still had a couple other families I was babysitting for and it wasn't long before every night was a fuck night. I had my first lesbian experience (and about 50 more) with Ms. Nolan and then somehow got Mr. Landis to screw me while Mrs. Landis watched. Once a week I had another couple, the Winslows, who just liked watching me get fucked by my boyfriend. They wouldn't even leave the house, they'd just stay out of sight while I fucked for them. Pretty soon that was the only night I was still fucking my boyfriend, though he got by with a lot of blowjobs and me having a whole lot of extra spending money. Eventually I was making $1000 a week and thinking about bigger things than my prom dress.

Things eventually ended with my boyfriend anyway. He came over to Mr. Castro's one night when I was "babysitting" and as Mr. Castro was fucking me doggie-style on the living room floor I could see my boyfriend standing outside watching. He stayed out there the whole time and Mr. Castro saw him, too. "Do you think he wants to join in?" he asked.

I told him I didn't know, I just knew I didn't want him to stop fucking me. So Mr. Castro fucked me faster and faster until he finally pulled out and blew his wad on my ass. When I looked up again, my boyfriend was gone. He kept calling and even came over a few times and I blew him for old time's sake, but I had moved on to bigger and better things. Not only could the parents I was babysitting for fuck better than he could, they paid well. I can see a real future in this babysitting racket!

That is if you're talking about *Slut Puppies #3*, a teen dream movie from Jules Jordan featuring today's cutest and dirtiest young girls beggin' for a bonin', and getting WAY more than their tight, young bodies bargained for! See just how slutty these super-tramps will become as we go behind the scenes...

ASHLEY JENSEN SKIRTING DANGER

Who's the blonde flirt with the paisley plaid skirt and the pierced tongue? That's Ashley, a cum-thirsty cutie out to prove she's no prude by bouncing up and down on Jules' junk and splattering her face with his man-milk. Yep, this spunk-riddled delight is a *Slut Puppy* alright!

LEXI BELLE ROLLER HOLE

Let's just say, for argument's sake, you're on a step-ladder in a porn storage warehouse, when out of nowhere a bubbly, roller-skating slut with a tight ass and a pretty smile skates over to your schlong and sucks you off. Then she lets you fuck her in every conceivable position before crank-yanking herself a mouthful of fun – would that qualify her as a *Slut Puppy*? **[Answer: YES.]**

ALLYSSA HALL MAN'S BEST FRIEND

Allyssa always greets her man with a smile on her face. Then she hops down on her knees and sucks his cock. Today this little *Slut Puppy* even wears her collar like a good girl! But make no mistake, she's naughty and in need of something, for sure. After inhaling some dick and getting her tonsils tickled, Allyssa stops just short of lock-jaw before giving her mouth a break and giving her tight pussy one hell of a ramming. That a girl!

DAKODA BROOKES STRAY CAT BLUES

Dakoda looks like a dick-starved damsel just dying to eat some man-meat. Lucky for her, a couple of dirty guys came 'round the neighborhood looking for trouble. It only figured that when Dakoda let her asshole get fingered, some sick sphincter-stretching was "cumming" up! This young tramp loves the taste of her own ass-juice as the fellas do the humpty-hump inside her rumpty-rump!

KAGNEY LINN KARTER KEEP IT GREASY SO IT'LL GO IN EASY

The way Kagney is oiling herself up, you'd think she was sunbathing by the pool. Instead she's inside the living room with the shades drawn – sounds shady, alright! By the time Ben English notices, Kagney's greased ass and slippery tits are ready for action. Bent over and spread open, young Kagney gets fucked fast and furious — and cum-coated on her smiling face

ANDI ANDERSON WHAT HAPPENED TO OUR GIRL?

Andi used to be a good schoolgirl who paid attention, respected others, and got good grades. Nowadays the only thing she excels at is fucking older guys while cutting class. She still wears her cute little uniform, but Andi's idea of studying astrology has nothing to do with a planetarium or a textbook, and more to do with a bottle of cheap whisky and some random unprotected interracial anal sex. Oh well, girls will be girls!

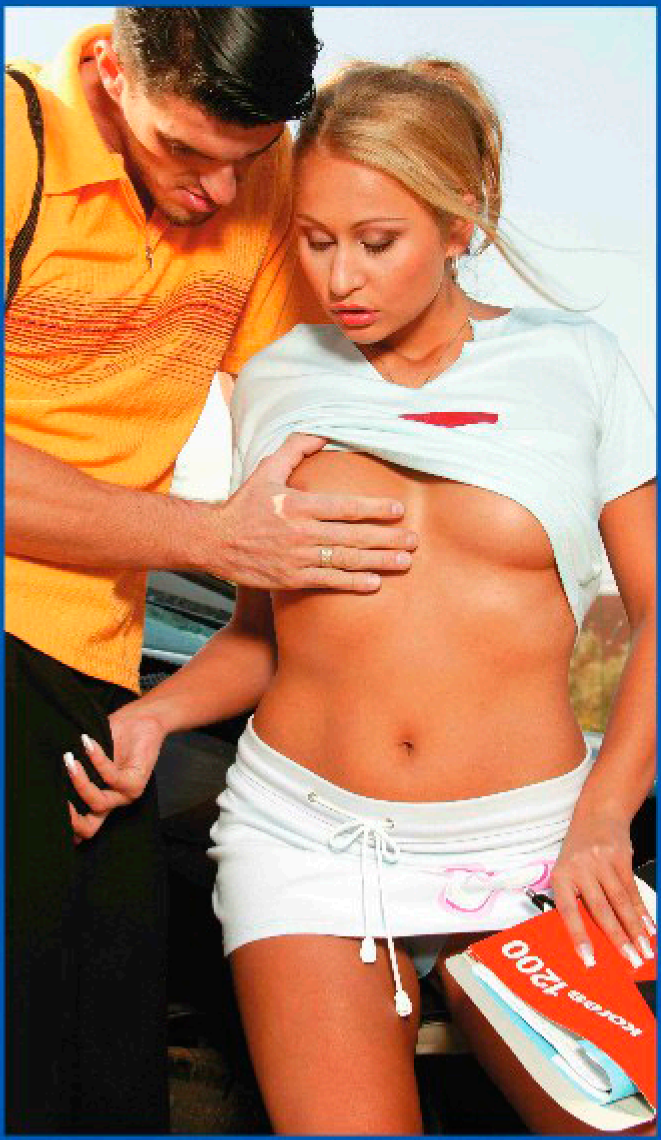
Valery

Junkyard Doggie



Some young sluts are just plain dirty. There's no nice way to put it. They hang out in seedy places, hoping to suck some random cocks (or worse) with no shame and no boundaries. Places where innocence is shattered and guilt has no meaning. Places like this abandoned junkyard, where dirty young sluts like Valery can pull down their pants and shove a nameless cock in their ass without a care in the world...

Zaley

Finger Lickin' Fun

Zaley Zane has a perky personality that matches her perky pink nipples just right. This wide-eyed cutie-pie is a curious, outgoing ball of fire who just so happens to be incredibly sexy and seductive for such a young girl. Zaley's a stranger to the word "shy" (and eager to flash her hairless pie) – and this freshly shaved sweetheart is our clear-cut choice as this month's Teen Dream Centerfold!

SPIN ON MY COCK

Occasionally in porn there is an innovation or an invention that changes the way we view everything. The trimmed and, later, the shaved bush. Or double penetration. And now there is the spinning table.

A table? How could *that* possibly change the way we view sex, you ask? Picture this: A table that has an empty circle in the middle and spins around. From that circle in the center emerges a hard cock that allows the girl to do circles while the cock is inside her vag, with the pussy getting all its angles taken care of.

Inventor and producer Stoney Curtis lined up an all-star cast for the debut of this surefire hit new series: April O'Neil, Ivy Winters, Tanner Mayes, Emy Reyes, and Jesse Jordan. These are five frisky beauties who are destined to get you off. Take it slow, this is new and you don't want to miss one spin.

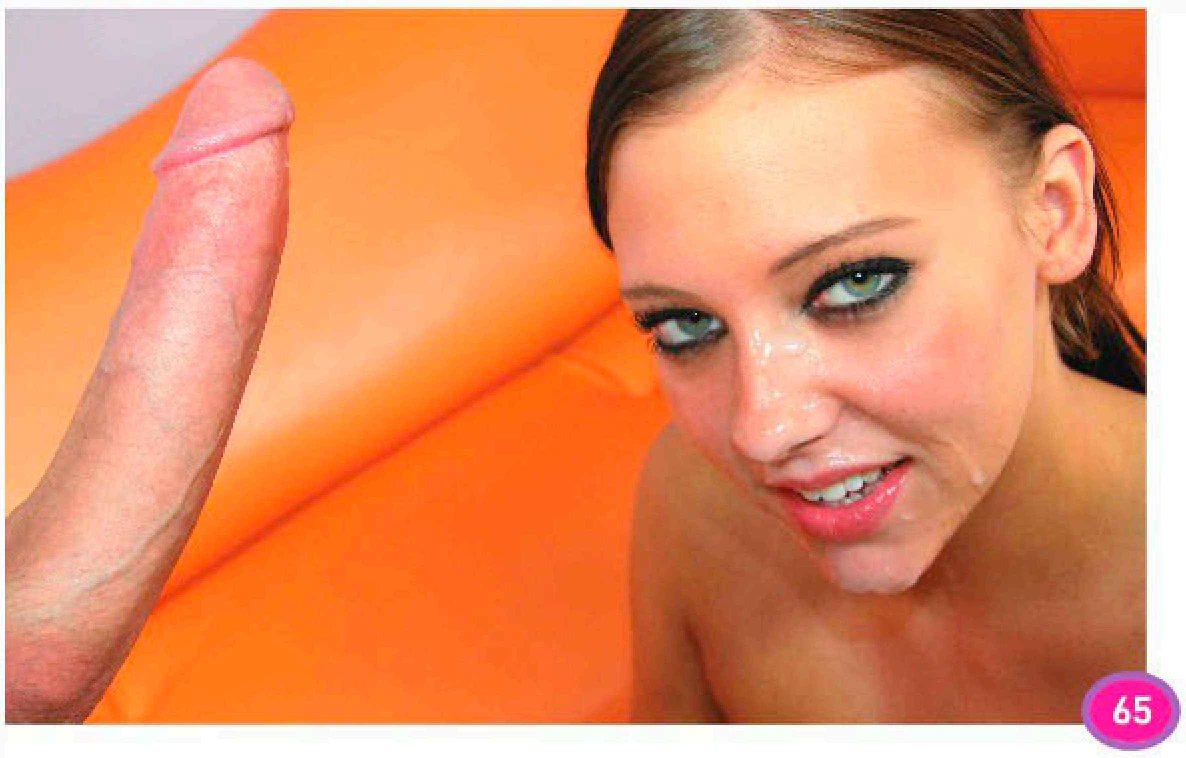
IVY WINTERS

She is a little pony-tailed sweetheart with a short skirt, slender little legs, and lacy panties that frame her snatch every time she bends over to clean something, which is frequently.

After she dusts off the couch, she turns around and notices that the flowers that were on the table a minute earlier are gone. She looks into the hole and suddenly a big, fat prick pops out. A voice follows and tells her to suck it. Taken aback, she isn't sure what to do. Told again to suck it, she asks if she won't get in trouble. So she starts to suck. Holding her ponytail back away from her mouth, she is breathless as she works the lengthy rod. "I've never seen a cock this big," she says as she stops for air. And then she's right back to it.

She gives it a long blow before she receives further instruction. First, she's told to take off her clothes. She slithers out, showing off tiny boobs, a perky ass, and a lippy snatch. She sits on the table playing with her pussy until she's good and wet and told to try stuffing the rod in her cooch. She saddles up, spreads the flaps of her puffy puss and slides down on the massive dick. Despite the struggle, she's able to get it in and even ride. Then the fun begins: the spin!

As the table spins in slow circles, she howls with pleasure, continuing to bounce up and down as the wand spins in her pussy. "This is amazing! I've never felt anything like this!" She finally cums so hard, she can't bounce any more, so they move over to the couch where she can just lie back and get fucked for a while. She bends over for a doggie-styled slam, gets pounded in missionary and then they close things out by giving the maid a mess to clean up on her face. All in a day's work.



APRIL O'NEIL

Things arguably peak with this sensational send-over from Slutty Maids. She's got the outfit, the skinny, slightly knock-kneed legs, and tits to die, lie, and cheat for. As she cleans up, she finds a huge dong, but doesn't seem too phased by it. Despite the novelty of her job, she seems to take it seriously—even if it isn't long before she witnesses the old disappearing flowers routine followed by the big stiffy and the words "suck it." April doesn't hesitate and soon her lips are working their way down the shaft.

For foot fans there's a little bonus foot segment, and handjob fans will be blasting at how she works that prick just before loading it into her twat. "Oh, wow!" she screams with a big smile as the table begins to spin. "Oh, fuck!" It takes a few spins, but she gets the rhythm down and soon she's riding, her face contorting beautifully, her tits bouncing blissfully, and her hairy little pussy taking the entirety of the offered shaft.

Soon she's in full workout mode and her pussy is in terrific shape. She rides him hard before he takes her over to the couch for a few minutes of finish-off. They go spoon, they go doggie, they go reverse cowgirl, and she goes screaming and squealing all the way to globs of whiteness covering her face and young titties.

EMY REYES

Emy's doing laundry when her new boss shows up and says he's going to need to see all of her body if she's going to work for him. She's a real showoff and pulls her top down quickly, and in seconds he's sucking on her little titties, and they make out and soon she's rubbing on his jeans. "You have a big package, don't you?" she asks with a knowing smile. He says he wants to see her pussy first, so she lies across the washer and dryer and plays with herself, asking him to shove his cock in there.

After a brief back-and-forth of oral favors, she gets her wish and he plugs her hole with his hose. Good and loose, she turns around and he fucks her over the washer, and she suggests turning the machine on. Oh, that reminds him, they have a spinning table. Curious, is she? You betcha! They switch rooms and she's sure happy to see that cock sticking out the center of the table. She finally takes her clothes off completely, then she sucks him again before mounting for a crazy spin cycle. She situates herself right, and sure enough she likes it and is able to bounce on his dick while the table spins cookies.

When they move back to the couch she continues to ride and then he puts her in a spoon and she continues her wild fuck, cumming crazily before whispering to him that she wants him to cum all over her. He pulls out and she sticks out her tongue and with several spurts she gets it on the face and several big globs on her small tits.

JESSE JORDAN

This moon-faced dynamo looks great in her maid's outfit, though she doesn't appear to be the most meticulous cleaner in the feather-duster business. Billy walks in and tells her she's doing a good job and looks good doing it. "Yeah, that's why I'm here," she says. Then she asks about the table.

Billy explains and golly, she sure seems to like the idea. She sucks him off nicely before they get on the table and then he lets her mount and ride a bit before he starts the table spinning. Her eyes suddenly enlarge and in just a minute or so she figures out how the thing works and she's smiling and squealing like the little nutjob she is.

For her, the best part isn't the table but when Billy unleashes on her on the couch and she launches into her sultry-eyed, "uh-huh" routine, something that seems more fresh here than it does in some of her other scenes. Maybe it's the way he really drills it to her, getting her pussy gaping and taking breaks to lick her snatch. When he's banging her doggie-style, there's no acting in her eyes as her smile disappears into a final orgasm, at least for her. It's not long after that that he overflows her mouth with his creamy offering.

TANNER MAYES

Tanner asks if she gets some kind of bonus for wearing such a skimpy outfit and he asks what kind of bonus she would like. She is suddenly coy as he promises her a treat. She gets to cleaning the table and this time, instead of disappearing flowers, we have a little toy that sits in the center. Cleaning it isn't easy since the damn thing keeps spinning, but sure enough, as soon as it's clean, here comes that bonus she was looking for. The toy drops out of the bottom and a cock rises out of the center. "Suck it!" she hears. "Okay," she says, putting her mouth on the dick for a moment. "Wait, who are you?" She doesn't wait for the answer before resuming the sucking.

There are no more directions or questions necessary as she climbs aboard and starts bouncing. She's more than down with the table spinning, as her body bounces and her little pigtail flies around and she plays with her pussy—as though she wasn't getting enough stimulation. Then she gives herself a reach-around and shoves a digit up her ass while mumbling something about being so tight. "You're twisting me around like a fucking pretzel and I'm so fucking tight!"

Showing probably the best spin of them all, when they are freed up by the couch- fuck, she really shines and shows why she's one of the hottest young performers in the industry. She's a dirty-talking, filthy-fucking, beautiful little whore and earns the load that covers her face when all is said and done.

Jana

Party of One

ALL MODELS ARE 18 YEARS OF AGE OR OLDER

Jana Jordan was all ready to go out with her girlfriends tonight. They were gonna go clubbing, trolling for cock like they usually do on Friday nights. But tonight Jana's plans changed – she called her friends and said she was "busy at home." When we checked on her a few hours later, the only thing Jana was 'busy' doing was inserting her finger into her wet pussy lips and moaning in delight on her living room couch!

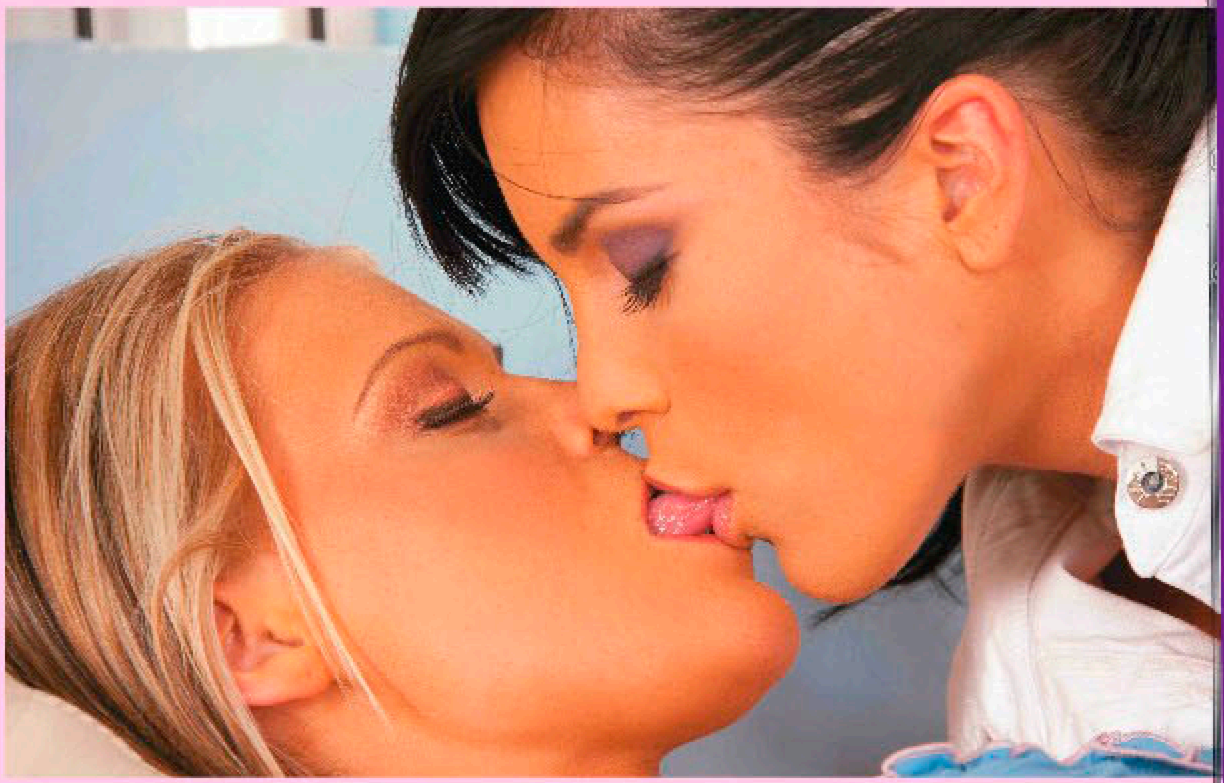
Trisha & Nelly

Foreign XXXchange



Trisha didn't know what to expect on her summer semester abroad, but she knew it would be exciting! With so much culture and life to experience, Trisha hardly knew where to start – so she began by letting her roommate **Nelly** lick her asshole and fuck her with a big dildo. XXXciting life XXXperiences that only a Euro-slut could provide, Nelly taught Trisha some nasty things that summer that Trisha could never learn from a textbook…

Nikita

Raunchy Robotics

Nikita's nookie is never satisfied with just a finger. She needs *more* to feel like a dirty little whore – like a robot-powered fuck machine! Complete with a piston-pumping dildo and a remote-control 'intensity meter,' this electronic fornication device stuffs Nikita's young muff as fast and furious as this naughty nympho can take it, pounding her shaved snatch 'til she moans and twitches in orgasmic bliss, unable to take the machine's wrath another second!
